

NERF ALPHA STRIKE PRODUCT DESCRIPTIONS

NERF ALPHA STRIKE HAMMERSTORM Blaster

(HASBRO/Ages 8 years & up/Approx. Retail Price: \$14.99/Available: Spring 2020)

Hammer the competition with the NERF ALPHA STRIKE HAMMERSTORM blaster! It features hammer-priming action to ready it to fire -- pull back the hammer, line up your shot, and press the trigger to unleash one dart. The rotating drum has an eight-dart capacity, so you can prime and blast multiple times before you need to reload. It comes with eight Official NERF ELITE darts that are tested and approved for performance and quality and constructed of foam with flexible, hollow tips. No batteries required. Includes: blaster and eight darts. Eyewear recommended (not included). Available exclusively at Target.

NERF ALPHA STRIKE FLYTE CS-10 MOTORIZED Blaster

(HASBRO/Ages 8 years & up/Approx. Retail Price: \$19.99/Available: Spring 2020)

Power into motorized, 10-dart blasting with the NERF ALPHA STRIKE FLYTE CS-10 blaster! Fast-fire one dart a time -- hold down the acceleration button and pull the trigger. It comes with a 10-dart clip, so you can unleash 10 darts in a row before you need to reload. And this motorized blaster comes with 20 Official NERF ELITE darts, so you have 10 for the clip, and 10 for reloads. Official NERF ELITE darts are tested and approved for performance and quality and constructed of foam with a flexible, hollow tips. Includes: blaster, 10-dart clip, 20 darts, and instructions. Requires four "AA" alkaline batteries (not included). Eyewear recommended (not included). Available exclusively at Walmart.

NERF ALPHA STRIKE UPPERCUT Blaster

(HASBRO/Ages 8 years & up/Approx. Retail Price: \$2.99/Available: Fall 2020)

Slam into dart-firing fun with the NERF ALPHA STRIKE UPPERCUT blaster! Load the dart then slam your hand against the handle to fire. The blaster's compact size and simple operation makes it fun and easy for family and friends to get into a Nerf game almost anywhere. Sized just right for indoor play. Includes one Official NERF ELITE dart that's tested and approved for performance and quality and constructed of foam with a flexible, hollow tip. No batteries required. Includes: blaster and one dart. Eyewear recommended (not included). Available at most major toy retailers nationwide.
